The Office of Residence Life is a part of the division of Student Affairs at the University of Wisconsin-Whitewater.

The Mission of the Office of Residence Life is to provide quality accessible housing and to promote student learning and personal success in an inclusive, engaging community.

The University of Wisconsin-Whitewater is committed to equal opportunity in its educational programs, activities and employment policies for all persons regardless of race, color, gender, creed, religion, age, ancestry, national origin, sexual orientation, political affirmation, marital status, Vietnam-era veteran status, parental status and pregnancy.

LIVE! LEARN! ENGAGE!

BEFORE YOU MOVE IN
To avoid congestion on move-in day, you will need to complete the express check-in form found at http://reslife.uww.edu/express.php, which will be available on August 1 at 10 a.m.

*By completing the express check-in, you can avoid steps 2 and 3 listed at the bottom of the page under opening day check-in steps.

MOVE-IN DAY
The residence halls will open at 9am and remain open all day. Move-in assistance will be provided by volunteer student organizations from 9am-4pm. We encourage students with even numbered rooms to move in from 9am-12pm and those with odd numbered room to move in from 12pm-4pm.

UNLOADING PASSES
Enclosed is a campus map and two unloading passes. The color of the pass and map route correspond with the color-coded move-in day signage. Please use the recommended route to arrive at your assigned hall and unloading zone. The unloading pass should be hung on your rearview mirror prior to your arrival on campus to assist volunteers in directing you along your color-coded route.

For detailed driving directions please refer to pages 9-10.

Starin Hall and Goodhue Hall residents will not receive unloading passes and do not follow a color coded route.

ARRIVAL
When you arrive at your designated unloading zone, volunteers will assist you with unloading your vehicle. Look for them in their white or purple ‘Warhawk Crew’ shirts. The unloading pass is valid for 20 minutes, after which you will need to move your vehicle to the nearest parking lot to avoid traffic congestion and parking fees. The parking lots will not be monitored by parking services on move-in day; however, staff and handicap parking stalls are still reserved.

Students should proceed to the front desk of their residence hall to begin the check-in process, while volunteers assist with unloading and the driver relocates the vehicle. Once you have your room key and your vehicle is in a proper parking space, you may continue moving in.

OPENING DAY CHECK-IN STEPS
STEP 1: Pick up Residence Hall Check-In Packet with Room Key at front desk
STEP 2: Complete Resident Emergency Contact Information Card
STEP 3: *Complete Meningitis and Hepatitis Vaccination Information
   *Please bring information regarding vaccination history
STEP 4: Complete the Room Condition Form
STEP 5: Return completed Room Condition Form to your Resident Assistant (RA)
STEP 6: Unpack and set up room
STEP 7: Attend floor meeting(s)

AT YOUR ROOM
Your room comes with standard furnishings (listed below). If you ordered a loft prior to Aug. 6th, it will already be set up for you in your room. Loft orders placed after Aug. 6th will need to be picked up. Check move-in day signage or inquire at your front desk for where to pick up your loft. Rules, regulations and additional information about lofts are available on the Residence Life website.

Lofts are available for rent at www.bedloft.com.
If you have any questions, call (866) 651-5638 or (217) 351-5502.

In your room will be a Room Condition Form. Please review the form, sign it, and turn it in to your RA.

DIMENSIONS
Approximate Low Rise Room dimensions:
• 11’ x 15.6’ (Arey, Benson, Bigelow, Clem, Fischer, Fricker, Goodhue, Knilans, Lee, Tutt)

Wells Hall “L-shaped” Room dimensions:
• 9’ wide (narrow end)
• 12’ wide (wide end)
• 16’ long

Starin Hall Room Dimensions:
• 12’ x 12’ kitchen
• 12’ x 12’ living area
• 8’ x 13’ bedroom

Floor plans may be viewed here. http://reslife.uww.edu/halls_plans.php

FURNISHINGS
Standard Double Room:
2 beds, 2 dressers, 2 desks, 2 desk chairs, 2 mirrors, ethernet jacks, 1 cable TV jack, trash and recycling containers, 2 closets, draperies, and carpeting. (Triple rooms and extended occupancy rooms will have the appropriate furnishing based on number of assigned roommates.)

*For Starin Hall, please visit http://reslife.uww.edu/starin.pdf

BEDDING
Mattress sizes are all 36” x 80”, so you may want to purchase extra long twin size sheets (available at department stores). Additionally, one of the student groups on campus, National Residence Hall Honorary (NRHH), sells linens to students.

For more information, call (800) 957-4338 or go to www.rhl.org/www
TECHNOLOGY

The Residence Halls have computer labs available to residents. The labs have the same general software available that other non-specialized computer labs on campus offer.

Internet access in the Residence Halls is provided by ResNET (Residential Network) which consists of more than 6,000 data jacks and wireless access points throughout the Residence Halls. Each room has at least one data jack. Every building except Starin and Fischer Halls will have the data jacks active without a request. Starin and Fischer Halls will only have data jacks activated upon request. All halls have wireless coverage. If you choose not to use wireless, you will need an ethernet cable, which may be purchased at most major electronic stores. We recommend a length of 20 to 25 feet.

For more information on campus wireless, please reference:
http://www.uww.edu/icit/services/wireless/index.html

ResNET also provides useful computing information and computer technical support. For liability reasons we may not service hardware.

To access policies or other information, please visit our website at:
http://reslife.uww.edu/resnet/ OR contact our office by phone:
(262) 472-3233 or email: resnet@uww.edu

Things you may want to bring:
- television and DVD player
- coax cable (cable TV provided)
- personal computer
- refrigerator (4.7 cubic feet max.)
- microwave (900 watts max.)
- clock radio
- fan
- futon
- bedding
- large, loud speakers
- open coil appliances
- waterbeds
- halogen lights
- pets
- candles
- large refrigerators
- air conditioners
- indoor grills
- weight equipment
- television and DVD player
- coax cable (cable TV provided)
- personal computer
- refrigerator (4.7 cubic feet max.)
- microwave (900 watts max.)
- clock radio
- fan
- futon
- bedding
- large, loud speakers
- open coil appliances
- waterbeds
- halogen lights
- pets
- candles
- large refrigerators
- air conditioners
- indoor grills
- weight equipment

Be sure to contact your roommate before bringing expensive or heavy items!

TELEVISION

The Residence Halls offer an all-digital cable line-up using the ClearQAM standard. You do not need a cable box if you have a newer TV that has a ClearQAM (specs may indicate QAM, QAM-256 or ClearQAM) tuner. If you have a newer TV and are unsure that it is digital, take a look at the remote and see if there is a button for dot (.), dash (-) or sub-channel.

If you have an older TV, you will need a digital tuner box. ResNET rents tuner boxes to students for $17.50/semester. If you wish to purchase your own tuner box, we recommend: http://www.epvision.com/HDTVSTB/phd205LEmain.htm

Our cable system currently has a total of 102 channels featuring 58 HD Channels and a 7 channel HBO lineup. For more information, please view http://reslife.uww.edu/uwwtv/

PARKING

Parking Permits are handled through Visitor & Parking Services, (262)-472-1011. Students with housing contracts are mailed parking permit registration materials in August of each year. Lot assignments are made on a “first-come, first-served” basis as registrations are returned, with assignments made to the available parking lot nearest the resident’s hall first. Resident parking permit fees for 2012-2013 are $220 for close proximity, and $110 for the Lot 24 option.

The resident lot assignment process ensures that a parking space is available to the resident, and that parking areas in proximity to academic functions are available to commuting students, faculty and staff. After 7:00pm, vehicles with resident parking permits may park in metered and unrestricted spaces in the academic parking areas. Meter fees are not required for vehicles with permits after 7:00pm.

Moped parking is permitted only at the moped stalls located in the parking lots around campus. Students may NOT lock their moped at the bike racks. The parking permit fee for a moped is $10 for the 2012-2013 academic year. Operating a moped on a sidewalk is PROHIBITED, and violation of this policy will be strictly enforced by Campus Police.

Visit Parking Services on the web at:
http://www.uww.edu/adminaffairs/parking

FURNITURE REMOVAL

Removal of university furniture is prohibited, and all furniture must remain in the rooms and common areas to which it has been allocated. Lobby, lounge, and basement furniture or other university property is not permitted in your room.
BIKE LOCKERS
Bike lockers are completely enclosed storage units with a lockable door. They protect your bike from weather, theft, and vandalism.

Rental charges are as follows: $50 per academic year, $25 per semester, and $20 for the summer. To reserve a bike locker, please complete the form located on our website: http://reslife.uww.edu/bikelockersapp.php preferably by August 6th.

A confirmation e-mail will be sent to your UWW e-mail account upon completion. Payment is not due at this time; we will add the charge to your student bill (this is the only accepted form of payment). Bike lockers are assigned on a “first-come, first-served” basis. Keys will be available beginning on opening day (August 29th) at the Residence Life front desk, located on the 1st floor of Goodhue Hall.

If you have problems accessing the online application, you may print off the contract from http://reslife.uww.edu/pdf/bike_lockers.pdf and mail it in (Office of Residence Life address is on the back of this booklet), or call (262) 472-4200.

MAIL
Mail is delivered daily to each residence hall by the US Postal Service. Your mail will be put into a locked mailbox which you will share with your roommate(s). Your mailbox number will be the same as your room number, and can be opened using your room key.

PACKAGES
Packages sent to you through the US Postal Service will be delivered to your hall and you can pick them up at your residence hall front desk. Our strong recommendation is that you have things sent through the US Postal Service whenever possible. Packages sent to you through any other delivery services (such as, United Parcel Service (UPS), Federal Express (FedEx), etc.), will be delivered to the Office of Residence Life, 1st floor, Goodhue Hall. When packages are received at Goodhue Hall, students will be notified via their UWW e-mail accounts. These packages will need to be picked up with an ID during regular business hours at the Goodhue front desk. Packages not picked up within 2 weeks of delivery at Goodhue Hall will be returned to the sender.

Please refer to the mailing addresses on page 1 for your specific hall address and how mail should be addressed.

EARLY ARRIVALS
As a general rule, students are not allowed into the Residence Halls prior to the official opening date in the fall unless the student is affiliated with a University-sponsored activity (athletic participation, campus employment, etc.) Requests for an early check-in should come from the appropriate University sponsor.

Some individuals may face specific circumstances that may require an early check-in to a residence hall. For students approved for early arrival, there will be a non-refundable charge of $15 per day prior to the start of the Residence Life contract which begins August 29th. Requests made after Friday, August 17th will be assessed an additional one-time administrative fee of $20. Please realize that early arrival check-in may be refused for any individual who fails to provide prior notice.

Additional early arrival information can be found on the Residence Life Website.

Early arrivals (unless previous arrangements have been made by the university sponsor) will check-in at the 1st floor desk in Goodhue Hall. Beginning Wednesday, August 29th, all students will check-in at their respective residence hall.

RENTER’S INSURANCE
The University is not liable for personal property which may be lost, stolen, or damaged in any way (including damages from sprinkler systems), nor does it carry insurance to cover such losses. Students should check with their families about insurance coverage.

All students are responsible for helping to maintain the security of the residence hall. This may be done by locking doors, following established procedures, and immediately reporting all suspicious behavior to the Residence Life desk.

STUDENT EMPLOYMENT
An electronic application for employment through the Office of Residence Life is available at http://reslife.uww.edu under the “Staff” tab.

Campus-wide job opportunities (excluding Residence Life) are located on this site. www.uww.edu/career/hawkjobs.php

UW-W Dining Services also employs students. Information can be found at www.dineoncampus.com/uww
EAST COMPLEX (Tutt Hall, Wells East & West)

WEST COMPLEX (Knilans & Fischer)

WEST COMPLEX (Benson Hall, Bigelow Hall, Clem Hall)

WEST COMPLEX (Arey Hall, Fricker Hall, Lee Hall)

APPROACHING WHITEWATER FROM THE EAST VIA US-12 BUSINESS ROUTE (BR)
- Continue until the intersection of Milwaukee and E US HWY 59 (Newcomb St)
- Turn right onto E US HWY 59 (Newcomb St), continuing approx. 0.6 mi
- Turn left onto E Starin Rd, continuing 1.7 mi.
- Turn right onto N Tratt St
- Turn right onto W Schwager Dr
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE EAST VIA US HWY 59
- Turn right onto E Starin Rd, continuing 1.7 mi.
- Turn right onto N Tratt St
- Turn right onto W Schwager Dr
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE WEST VIA US-12
- Continue until the intersection of Main and N Tratt St
- Turn left onto N Tratt St
- Continue approximately 0.6 mi to W Schwager Dr and turn right
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE NORTH VIA CR-N
- Continue on N Tratt St/CR-N and turn left onto W Schwager Dr.
- Follow signs to reach your assigned unloading zone

IMPORTANT
When turning onto Schwager Dr, EAST COMPLEX will enter into the left lane and WEST COMPLEX will enter in onto the right lane. Those in Arey, Fricker and Lee will continue straight onto Koshkonong Dr while the rest of WEST COMPLEX will veer left onto Schwager Dr. Watch for the signs that will direct you to your proper unloading zone.

GOODHUE HALL
APPROACHING WHITEWATER FROM THE EAST VIA US-12 BR
- Continue until the intersection of W Main St and N Prairie St
- Turn right onto N Prairie St, continuing approximately 0.3 mi
- Turn left onto W Starin Rd
- Continue to Visitor Center parking entrance and turn right
- Park in east side of lot 7

APPROACHING WHITEWATER FROM THE EAST VIA US HWY 59
- Turn right onto E Starin Rd
- Continue approx. 1 mi and turn left into Visitor Center parking entrance
- Park in east side of lot 7

APPROACHING WHITEWATER FROM THE WEST VIA US-12
- Continue until the intersection of Main and N Prairie St
- Turn left onto W Starin Rd
- Continue to Visitor Center parking entrance and turn right
- Park in east side of lot 7

APPROACHING WHITEWATER FROM THE NORTH VIA CR-N
- Continue on N Tratt St/CR-N and turn left onto W Starin Rd
- Continue to Warhawk Dr and turn left
- Take an immediate right into the Visitor Center parking lot
- Park on east side of lot 7

APPROSSING WHITEWATER FROM THE EAST VIA US-12 BR
- Continue one block and turn right onto N Prince St
- Follow signs to reach your assigned unloading zone

STARIN HALL
APPROACHING WHITEWATER FROM THE EAST VIA US-12 BR
- Continue until the intersection of Milwaukee and E US HWY 59 (Newcomb St)
- Turn right onto E US HWY 59 (Newcomb St), continuing approx. 0.6 mi
- Turn left onto E Starin Rd
- Continue approximately 1.4 mi and turn left onto N Prince St
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE EAST VIA US HWY 59
- Turn right onto E Starin Rd
- Continue approximately 1.4 mi and turn left onto N Prince St
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE WEST VIA US-12
- Continue until the intersection of Main and N Prince St
- Turn left onto N Prince St
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE NORTH VIA CR-N
- Continue on N Tratt St/CR-N and turn left onto W. Starin Rd
- Follow signs to reach your assigned unloading zone

APPROACHING WHITEWATER FROM THE EAST VIA US HWY 59
- Turn right onto E Starin Rd
- Continue approx. 1 mi and turn left into Visitor Center parking entrance
- Park in east side of lot 7

APPROACHING WHITEWATER FROM THE WEST VIA US-12
